

California OES Weather Threat Briefing

Sunday, May 23, 2021
9:00 AM PDT

Day 1 (Sunday): Gusty winds in Santa Barbara County could cause minor damage Sunday evening and overnight.

National Weather Service
Western Region Headquarters
Regional Operations Center
Salt Lake City, UT

WEATHER KEY POINTS

05/23/21 - 05/29/21

Sunday

- North winds, gusting up to 45 mph, will develop in Santa Barbara County Sunday evening and continue through the overnight hours, with minor tree and power line damage possible
- A few lingering showers are possible Sunday near the Nevada border, but most of the state should be drier and warmer today

Monday - Saturday

- A chance of light showers will return to far northern California for Monday and Tuesday (and then possibly again on Thursday/Friday), with most of the state remaining dry through the entire work week
 - Isolated thunderstorms are also possible near the Oregon border on Monday
- Elevated fire weather concerns will return to the deserts and mountains of Southern Region Monday through Wednesday, with locally gusty winds possible in those areas each afternoon
